An important note about wood and our warranty.

The wooden components in your Rainbow Play System will have imperfections. We remind you that seasonal checks and surface cracks, knot holes and knots and other natural characteristics of wooden play equipment not resulting in structural failure are not covered under this warranty. Please supervise your children's play activity and maintain your play equipment periodically.

Subject to proper installation and normal residential use, Rainbow Play Systems, Inc. warrants to the original retail purchaser that, subject to the limitations stated below, all chain, seats, hardware, metal braces and accessories will be free from defects in material and workmanship for a period of FIVE YEARS from the date of purchase. In addition, Rainbow warrants all ropes for a period of ONE YEAR from the date of purchase. Cracks in non-functional plastic components are not considered defects in materials and workmanship if they do not affect the functionality of the system. Merchandise covered under this limited five-year warranty will be repaired or replaced, at our option, and returned to the customer freight prepaid to the Rainbow showroom handling the warranty work. All labor costs, travel expenses and any other charges involved in the installation or replacement of the parts incurred by the Rainbow showroom (or by the showroom's authorized agents or installers) handling your warranty work will be your (the original purchaser's) responsibility. The warranty coverage described in this paragraph is your sole and exclusive remedy and lasts only as long as the original purchaser owns the Rainbow® Play System and terminates if the original purchaser sells or otherwise transfers the unit.

In addition, subject to proper installation and normal residential use, Rainbow Play Systems, Inc. warrants to the original retail purchaser for the period during which the original purchaser owns the system all wooden components against structural failure due to corrosion, wood rot or insect infestation.
